International Teaching Week

12.04.2027 – 16.04.2027

International Teaching Week aims to support the international exchange of teaching and scientific experiences and to promote cooperation among partner universities. The event fosters the presentation of innovative teaching methods, enables faculty to establish academic contacts, and allows students to broaden their knowledge and skills in an international environment.

Program – The final detailed program of the week will be announced on 28/02/2027

You will be expected to teach two classes and attend networking meetings. The courses are part of the Bachelor's and Master's Studies program and are available in English.

International Teaching Week is focused on teachers from various fields: Accounting, Business Management, Econometrics, Economics, Finance, Law, Management, Marketing, Statistics.

Cost - The costs of participating in the International Teaching Week are €150 (subject to change). It includes participation in the program, the gala dinner, and the Wrocław guided tour.

Participants from Erasmus+ partner universities are welcome to apply. They will cover their own travel, accommodation, and daily expenses. As a participant, you can often receive Erasmus+ staff mobility funding for either teaching or training mobility. Please check at your home institution.
